*please note small games during the breaks are subject to an additional charge on the night.

Watch this space - School Allotment

On Thursday Ewhurst Park kindly donated us the time of one of their Growers, Helen. With Helen's help we have come up with a plan for a wonderful space that the children can use and help maintain. To do this we will need your support so please keep an eye out for further details on how you can help us achieve our vision 😊

Bag2School

Thank you so much for your donations they raised **£103.50!**
