Children will have access to ample space, with use of the playgrounds, sports field and school hall.

The library and Imaginarium classroom will also be used for any indoor learning.

## What makes us different?

Mrs E and Miss O are both fully qualified PE teachers with over 30 years of coaching and teaching experience between them.

Children will be entertained all day, ensuring a good balance of fun, play, physical and educational activities and downtime.

All staff have full first aid training (including epipen training), an updated DBS check, full safeguarding training and an abundance of experience teaching and coaching children.
