Ref. Spanish lunchtime club

Dear parents/carers,

My name is Susanna, and I'm a native Spanish local tutor from Barcelona. I hold a Spanish Diploma to be able to teach Spanish at different levels and I've been teaching Spanish clubs in schools and private students of all ages and levels around this area for 21 years.

I used to have a Spanish lunchtime club for quite a few years at the Priory until Covid came. I've been contacted by many parents asking me to come back, so I'm planning to resume my club on the week commencing on the **16th September** of this academic year 2024/25.

Why would you enrol your children to learn Spanish?

1. Spanish is the second most widely spoken language in the world.
2. Most secondary schools/colleges realise that, so they are introducing more and more the Spanish language as a curricular language, GCSE and A levels.
3. An increasing amount of people in England take holidays abroad in different locations of Spain, and some of them are planning to even move there in the future.
4. Children at a young age have a much bigger ability to memorise and learn languages than adults, and it is actually demonstrated that it helps when learning other subjects, as they have to develop a particular part of the brain.
5. It is a fun club with a lot of visual learning, which makes it more interesting for young children who might have a lower attention span.

The club will run on **Tuesday lunchtime** with 2 different levels: years R, 1 & 2 (KS1) (12:30-1 PM) and years 3, 4, 5 & 6 (KS2) (12-12:30 PM). The activities will vary according to the year group, but they will be all based on visual and fun activities ranging from singing, colouring, learning vocabulary, written activities and communicating sentences in different contexts of the language.

The price for each child will be **£6 per lesson** and the **payment will be half-termly in advance** by BACS. That way your child has the opportunity to try it out for 6/7 weeks and decide if they want to continue or not.

My club used to be very popular so I encourage you to book a space for your child ASAP if you want to secure a place. If you have any questions or want to enrol your child, please contact me directly on **07786 512055** or sausiopares@gmail.com.

These are my BACS details for payments:
