

# Learning Journey Overview

## Year 2

### Number: Place Value

Key Outcomes Of The Learning Journey	Ongoing Assessment			
	Target	Some	Good	Exceed
1) To demonstrate knowledge of numbers 0 to 20 using concrete resources				
1a) To demonstrate knowledge of numbers to 20 in words, numerals and visual images				
2) To count in 10s up to 100				
2a) To demonstrate counting objects to 100 by making 10s				
3) To interpret the value of a number using 10s and 1s				
4) To utilise a place value chart for numbers to 100				
5) To partition numbers to 100				
6) To write numbers to 100 in words				
7) To demonstrate writing numbers to 100 in the expanded form				
8) To demonstrate the flexibility of partitioning numbers to 100				
9) To identify multiples of 10 on a number line to 100				
10) To identify 10s and 1s on a number line to 100				
11) To demonstrate the ability to estimate numbers on a number line to 100 using tens				
11a) To demonstrate the ability to estimate numbers on a number line to 100 using tens and ones				
12) To compare objects up to 100				
13) To compare numbers up to 100				
14) To demonstrate ordering both objects and numbers				
15) To count in 2s				
16) To count in 5s				
17) To count in 10s				
18) To count in 2's 5's and 10's				
19) To count in 3's
