

# NUMBER: FRACTIONS PART A

## Learning Journey

|    | Learning Objectives                                     | Ongoing Assessment |      |      |        |
|----|---|--------------------|------|------|--------|
|    |   | Target             | Some | Good | Exceed |
| 1  | To find fractions equivalent to a unit fraction         |                    |      |      |        |
| 2  | To find fractions equivalent to a non-unit fraction     |                    |      |      |        |
| 3  | To recognise equivalent fractions                       |                    |      |      |        |
| 4  | To convert improper fractions to mixed numbers          |                    |      |      |        |
| 5  | To convert mixed numbers to improper fractions          |                    |      |      |        |
| 6  | To compare fractions less than 1                        |                    |      |      |        |
| 7  | To order fractions more than 1                          |                    |      |      |        |
| 8  | To compare and order fractions greater than 1           |                    |      |      |        |
| 9  | To add and subtract fractions with the same denominator |                    |      |      |        |
| 10 | To add fractions within 1                               |                    |      |      |        |
| 11 | To add fractions with a total greater than 1            |                    |      |      |        |
| 12 | To add to a mixed number                                |                    |      |      |        |
| 13 | To add two mixed numbers                                |                    |      |      |        |
| 14 | To subtract fractions                                   |                    |      |      |        |
| 15 | To subtract from a mixed number                         |                    |      |      |        |
| 16 | To subtract from a mixed number – breaking the whole    |                    |      |      |        |
| 17 | To subtract two mixed numbers                           |                    |      |      |        |
