

Safeguarding and Wellbeing

SAFER INTERNET DAY 2026

UK Safer Internet Centre

This year we will participate in Safer Internet Day 2026

Tuesday 10th February.

This year the theme is all about AI -

***Smart tech, safe choices –
Exploring the safe and
responsible use of AI***

Everyone's talking about AI, and with many children and young people hearing about and using AI online, it's important they have the skills and confidence to make safe choices when they are using smart technology.

This Safer Internet Day we are exploring the impact of AI on all of our lives, looking at how AI can be used for good, and giving advice and guidance that empowers people to use AI safely and responsibly.

At school we will be using resources from the Safer Internet Centre with the children to explore AI and what it is all about.

We will also take part in a live assembly with [Be Internet Legends](#) which is a free online safety assembly that we have used in previous years. (more details to follow)

Be
Internet
Legends.

FREE Parent & Carer Online Safety Webinar

Eduthing are hosting a special virtual support session for parents and carers to celebrate **Safer Internet Day**. This session is hosted in partnership with ScreenSafe. We know navigating the digital world can be overwhelming for families. This session brings together experts to discuss how parents can best support their children to recognise risks, call out misinformation, and explore the online world safely.

**PLEASE SEE THE SEPARATE
FLYER FOR DETAILS ABOUT
THE WEBINAR AND HOW TO
JOIN IT FOR FREE**

What We Will Cover

Artificial Intelligence

What to know and how to support your children.

Top Tips & Tricks

Practical advice for parents and carers, plus resources to facilitate discussions at home.

Apps & Features

Specific apps and features to be aware of right now.

Interactive Q&A

Your chance to ask experts from **eduthing** and ScreenSafe.
